### YES! THE FAMOUS "MODERN LIBRARY"

Preferred throughout America to all other popularly priced libraries! 10 million volumes reside in American homes this very moment! About a year or so ago, the publisher experimented with a slightly larger and sturdier, more profusely decorated binding on a few of his newest titles.

### BECAUSE THE NEW BINDINGS

were accepted so enthusiastically by the Modern Library readers, the publisher decided to make over the rest of the titles quickly. To help him with this transition and because we saw a golden opportunity to offer you a spectacular sale, Macy's offered him cash for all of his old style bindings!

### 166 TITLES AT 9:30 TOMORROW!

Of the 220 titles currently listed in The Modern Library, you will find 166 on our counters at 9:30 tomorrow morning! All fresh clean volumes... cloth bound and jacketed... all favorite, fast selling titles! The quantities are too limited on 50 of them to list here, so hurry in for those.

### IF YOU CAN'T COME IN, WRITE, PHONE!

For those who can't come in we list 116 titles of which we have the greatest quantities. We will fill mail and phone orders on these as long as quantities last. If we are unable to fill one or two titles on your order, please don't blame us... we warn you, this is going to be one of those SALES!
